

## Inter-Prefectural Esports Championship 2024 SAGA: Puyo Puyo Division Regarding the Participation of Individuals with Disabilities

Thank you for your interest in entering the Inter-Prefectural Esports Championship 2024 SAGA: Puyo Puyo Division. This tournament takes care to provide a welcoming environment for a diverse range of participants, including those with disabilities.

Once you have completed your entry application for the tournament, please refer to the following information and contact the event staff if necessary.

After confirming the details of your inquiry, the event staff may need to contact you upon examining the special considerations required for your participation in the tournament. We appreciate your cooperation and understanding regarding this matter.

Additionally, since the COVID-19 pandemic, participants with disabilities have entered the offline (in-person) championships, including the one held in Kagoshima last year.

Please refer to the following link for a report on the Mie tournament. <https://uniesnet.com/2021/07/08/ふよふよえスポーツ大会参加を支援/> (external link - text is in Japanese only)

The following participants need to contact us regarding their circumstances.

- Participants with a disability
  - Individuals who require special support or other considerations from the event staff in order to participate in the tournament.
  - Individuals who are unable to use a Nintendo controller or a controller officially licensed by Nintendo and already have a mechanism in place for operating the controller's buttons and other controls.
  - Individuals who are concerned about whether or not they can adhere to the tournament rules and regulations.
  - Individuals who have any other concerns.
- Participants who are unable to distinguish colors
  - Individuals who require the use of the Color Blind Settings in the OPTIONS menu.
  - Individuals who have any other concerns.
